

As COVID-19 continues to be a part of our everyday life, the safety of our Consultants, Customers and Hostesses remains our highest priority. Sabika Parties are at the very heart of our Business, however, to continue to provide beauty, joy and opportunity it is important that we offer you, the best and safest Party possible.

Sabika has asked all of our Consultants to adhere to all COVID-19 safety guidelines and recommendations made by the CDC and your individual local, state and federal health officials, to provide you will the best experience!

Socially Distanced and Safe Sabika Parties!

Should I have a Virtual or Physical Party? Follow these Steps to Help You Make the Safest Choice:

1. Check the guidelines! When booking a Sabika Party, check first with your local and state guidelines in regard to the gathering of groups. Most states will have guidelines as to the number of people that are permitted to gather together, and we ask that you follow those guidelines when creating invite lists. If your state has a hold on gatherings, please follow those guidelines and hold your Parties virtually.
2. Our Consultants have the tools for Parties both physically and virtually! As the Host, you can choose the type of Party that will be most comfortable for you and your Guests to enjoy all the sparkle!
3. Choose a location! Party locations should allow for safe social distancing. We recommend that your guests have enough space to maintain proper social distancing of 6 feet!

Follow these Physical Party Safety Guidelines for a Safe and Fun Party!

1. Party Prep! Clean all surfaces needed for the Party thoroughly with disinfectant or soap and water before setting up the Share Cases.
2. We recommend that our Consultants, Hostesses and Guests wear a face mask at all times. We kindly ask that you and your Guests come with personal face masks! If possible, your Consultant can provide disposable masks as well!
3. We have asked our Consultants to provide hand sanitizer and alcohol wipes for Guests. Alcohol wipes can be used for jewelry and earrings to allow Guests to safely try on the jewelry.
4. On the day of the Party, if you aren't feeling well or showing symptoms we ask that the Party be postponed or held virtually. Guests experiencing any symptoms or not feeling well, are kindly asked not to attend.

We thank you for your support in keeping our entire Sabika Family safe!
